Why Freestyle Skiing? Because it's awesome. There's nothing like the feel you get after you stomp a good run. I love the journey and the pursuit of a perfect run, knowing that it's impossible.

Hobbies: Skiing, surfing, paddling and working out.

My idol is: Kyle Shewfelt and Matt Graham

My motto is: Always be the hardest working one in the room.

Person who has had the greatest impact on me: My family for believing me as much and doing everything they can to support my dreams.

Something you wouldn't know about me: I don't like any candy or pop.
