Why Freestyle Skiing? Freestyle skiing is a sport with so much freedom in which you can show your own personal style and flair. Skiing is something that you are able to do outside of training and competition just for the pure fun of it.

Hobbies: Biking and skateboarding

My idol is: Candide Thovex

My motto is: Doing it big, is doing it right!

Person who has had the greatest impact on me: No single individual has the biggest impact but a collective of friends, family, coaches and teammates. They are all massive parts on my life.

Something you wouldn't know about me: I enjoy Frisbee golf
