## Colin Bridger

**Hometown:** Calgary, AB

**D.O.B.:** August 7, 2017

**Why Freestyle Skiing?** Freestyle skiing allows freedom while maintaining a competitive aspect. Just being able to relax and ski park or pow with your friends while still training hard throughout the season is what motivates me to keep skiing.

**Hobbies:** Skateboarding, wakeboarding, and filming/photography

**My idol is:** I love watching all the members of "The Bunch" ski, it inspires my style. Parker white also influences the way I ski.

**My motto is:** Turn down for what?

**Person who has had the greatest impact on me:** There isn't one single person who has had the greatest impact on my life, but my family and friends have helped progress and motivate me throughout my years of competing.

**Something you wouldn't know about me:** my life outside of skiing usually revolves around cars.
