## Spencer Saltys

**Hometown:** Calgary, AB

**D.O.B.:** May 17, 1996

**Nickname:** Salts

**Why Freestyle Skiing?** I think freestyle skiing is such a creative sport and can be interpreted in so many different ways. Not one person has the same style or skis the same way. It makes it very creative and it is fun to put that creativity to use in how you ski.

**Hobbies:** Skiing, Motocross, Hockey, Mountain Biking, and Golf

**My idol is:** I wouldn't say I have one specific person that I idolize. I get inspired by all the kids at the hill throwing tricks and progressing. I look up to the pros and try to imitate how they ski and take what I see and try and put it in my own skiing. I really admire the work ethic of Nick Goepper and would like to see my work ethic turn into something like his.

**My motto is:** Teamwork makes the dream work.

**Person who has had the greatest impact on me:** My parents, they are always pushing me to be the best I can be and support my decisions no matter what. I owe everything that I have accomplished and experienced in my life to them and they are 100% my biggest fans.

**Something you wouldn't know about me:** I don't like heights!
