Why freestyle skiing?: There has never been a day of freestyle skiing when I haven't been happy to be out with the team ripping around and learning new tricks. The adrenaline rush that you get when you're learning new stuff is incomparable.

Hobbies: I like working on cars and hanging out with the boys whenever I have free time. I also like researching about shoes and buying shoes.

My idol is: I admire the style of Jake Carney and the way he skis and represents himself on and off of the ski hill.

My motto is: There's beauty in the struggle.

Person who has had the greatest impact on me: There is not one single individual who has the greatest impact on me, but the constant support from my whole family and all my friends has helped me be the person I am today.

Something you wouldn't know about me: I love country music
