### Election Procedures

1. In advance of the annual general meeting, the council of club presidents will be asked to provide up to 3 suitable candidates per region (north and south) that are willing to perform the duties of a club rep and are not current board members of their member association.
2. Candidates will be asked to provide a brief biography of their experience with the Alberta Freestyle Community for consideration by the Council of Presidents.
3. Each voting club will be allowed 2 votes per club: one for the selection of a north rep, and one for the selection of a south club rep. This will ensure that there are equal amounts of votes in both the north and south pools of clubs.
4. The candidate that receives the most votes overall will be elected the **Overall Club Rep**, regardless of which region they represent. The most votes received by a southern candidate will be elected the **Southern Club Rep** and the most votes received by a northern candidate will be elected the **Northern Club Rep**.
5. As per the bylaws, the resulting candidates will be presented as part of the board at the AGM. Subsequent elections shall take place at the Council of Presidents prior to the annual AGM.
