

2025 CANADIAN JUNIOR CHAMPIONSHIPS QUOTA POLICY

November 2024

The **2025 Canadian Junior Championships** is part of the Canada Cup Series presented by Toyo Tires, and will occur in 2 locations in Canada based on disciplines:

- ❖ **Mogul/Aerial Championships** . Hereafter known as the “MO/DM/AE Event”
 - March 19 - March 23 – Le Relais, QC

- ❖ **Park & Pipe Championships**: Hereafter known as the “SS/HP/BA Event”
 - March 12 - March 16 – Winsport, AB

QUOTAS per EVENT

Quotas will be given based on athletes participating in all 3 disciplines at each location. Receiving a Jr Championship spot at the MO/DM/AE Event means that you will receive a spot for MO, DM, and AE. Likewise, your spot for the SS/HP/BA Event will give you a spot for HP, SS and BA. Quotas will not be calculated according to each discipline, they are given out for the entire Event. Freestyle Canada (FC) encourages athletes to prepare to ski in all three disciplines at each event according to our LTAD Train to Train recommendations. Refunds will not be given out for not participating in one of the 3 disciplines. For AE and HP only, there are 25 additional spots for Aerials, based on P/TSO identified AE specialists, and 25 additional spots for HP, based on P/TSO identified HP specialists.

OVERVIEW OF QUOTA CALCULATION

Provincial Quotas are figured on an annual basis. Quotas are determined by 3 aspects, in the following order;

1. **BASE** quota per province (48 spots of the 100 total event spots),
2. **MEMBERSHIP**: P/TSO percentage of athlete licenses from 2024-2025 season (as of JAN 10 2025) for the following categories U12 - U14 - U16 - U18 (30 spots of the 100 total event spots).
3. **PERFORMANCE** quotas : results from the previous edition are used to calculate performance quotas for the current Junior Championship (22 spots of the 100 total event spots).

1. Base Quota (48 spots total):

- 1.1 spots will be evenly distributed across FC’s recognized P/TSOs per Event :
 - **48 spots for MO/DM/AE Event**: Moguls, Dual Moguls, Aerial
 - **48 spots for SS/HP/BA Event**: Slopestyle, Halfpipe, Big Air

2. **MEMBERSHIP Quota (30 spots total)**: P/TSOs will receive a percentage of the 30 spots, based on the number of athlete licenses from the 2024-2025 season (as of JAN. 10, 2025) for the following categories: U12 - U14 - U16 - U18.

1.1. Membership reports are used to calculate the MEMBERSHIP Quota, by using the SnowReg registration system.

3. PERFORMANCE Quota (22 spots total):

3.1 MOGULS, DUAL MOGULS and AERIALS AND SLOPESTYLE, BIG AIR and HALF-PIPE Junior Championship results from the previous edition are used to calculate performance quotas for the current season's Junior Championship.

3.2 Performance quota calculation method:

Each podium per discipline, per age category, and per gender will give the P/TSO a maximum of one (1) point*

3.3 22 spots will be distributed between the P/TSOs that earned points, based on a ratio of the total podium points of all P/TSOs.

4. Round Robin Calculation

4.1. The round robin for unused spots is calculated by using the Performance quota P/TSO rankings described in point 3 (Performance Quota - 22 spots total).

4.2. In case of a tie, the tie breaker will count the most 1st placings

4.3. The next tie breaker will count the most 2nd placings

4.4. The next tie breaker will count the most 3rd placings

4.5. The next tie breaker will count the best number of 1st places in MO and SS disciplines only.

Freestyle Canada will notify the P/TSOs of their Junior Championship quota **by January 15th, 2025**

P/TSOs must notify Freestyle Canada of unused quota spots by **January 22nd, 2025 for MO/DM/AE/SS/BA/HP.** P/TSOs requiring extra quota spots must make a formal written request to the Freestyle Canada Events coordinator: julien@freestylecanada.ski **before January 22, 2025.** The final reallocation process shall be finished by January 29th.
